

# MAT Production - Release Notes

MAT 5.9 05/6/2020

May 6, 2020

The MAT Bonnie Team

.01

# Production MAT - Release Summary

# Production MAT Release Notes

The Production MAT release contains the following:

- HARP integration on MAT
  - Users must use their HARP ID in order to login to MAT
  - The first time an existing MAT user logs into the MAT, they must link to their HARP Account
  - MAT Account profile data will be managed within HARP with the exception of CQL Editor settings
  - New MAT User Registration is a new streamlined process with a new entry form
  - MAT Account 'Forgot User / Forgot Password' functions are managed by HARP

.02

# MAT Public Facing Website

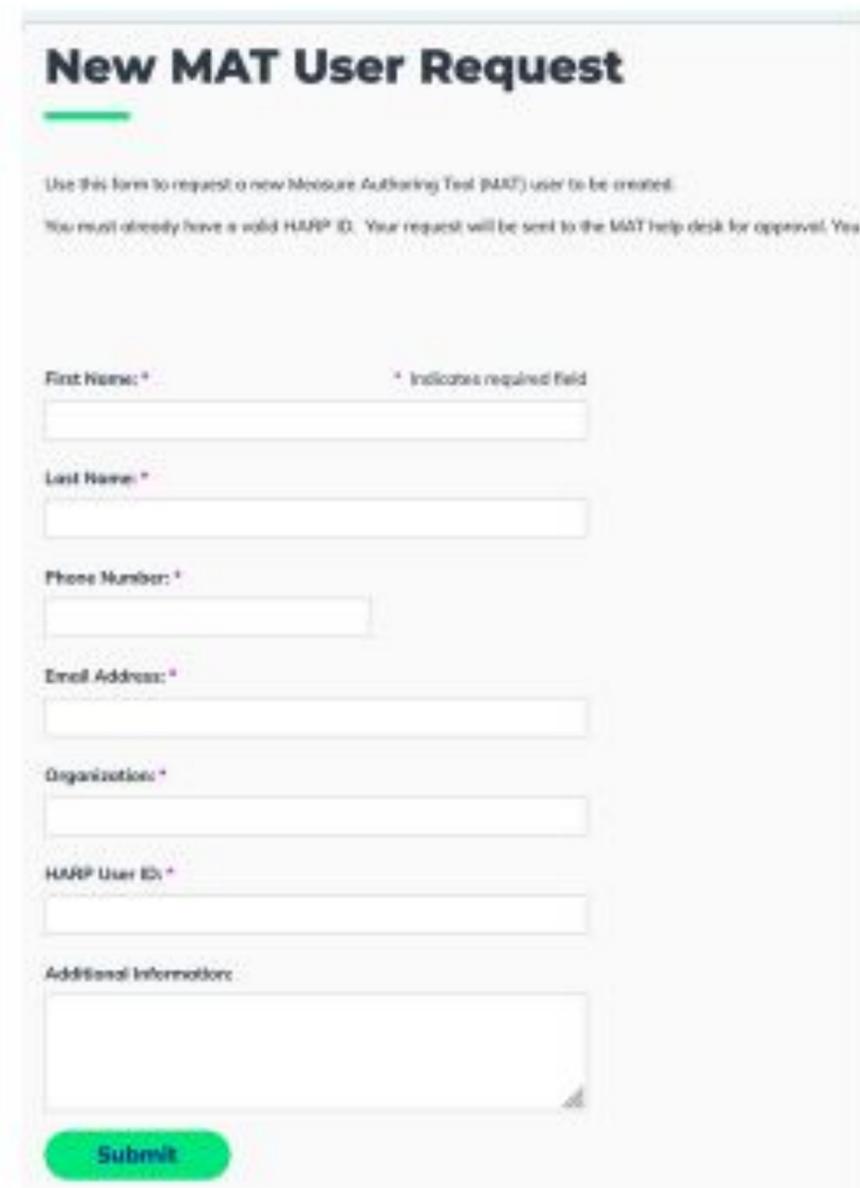

# Public Facing MAT Site

The MAT Public Facing Site has been enhanced:

- New MAT User Registration uses a new online form, accessed from the New User Registration button
  - Replaces the printed, notarized form
- The MAT User Guide has been updated to reflect HARP usage
- Users must have a HARP ID prior to requesting a MAT Account

[Log in to the MAT >](#)

[New User Registration >](#)

**New MAT User Request**

Use this form to request a new Measure Authoring Tool (MAT) user to be created.  
You must already have a valid HARP ID. Your request will be sent to the MAT help desk for approval. You

First Name: \* \* Indicates required field

Last Name: \*

Phone Number: \*

Email Address: \*

Organization: \*

HARP User ID: \*

Additional Information:

# Public Facing MAT Site Release Notes

New MAT Users:

**New MAT Users must create a HARP Account before registering for a MAT Account:**

1. Go to <https://harp.qualitynet.org/register> and complete the registration form to create a HARP account.
2. To create an account, users must enter their profile information, account information, and successfully complete proofing (identify verification). HARP uses a third-party service provided by Experian to verify user identities. To complete account setup, users need to log into HARP and set up two-factor authentication.

.02

# Linking your MAT Account to HARP

# Logging into MAT the First Time - Existing MAT Users

The FIRST time you log into MAT you must link your HARP User ID to your MAT User ID

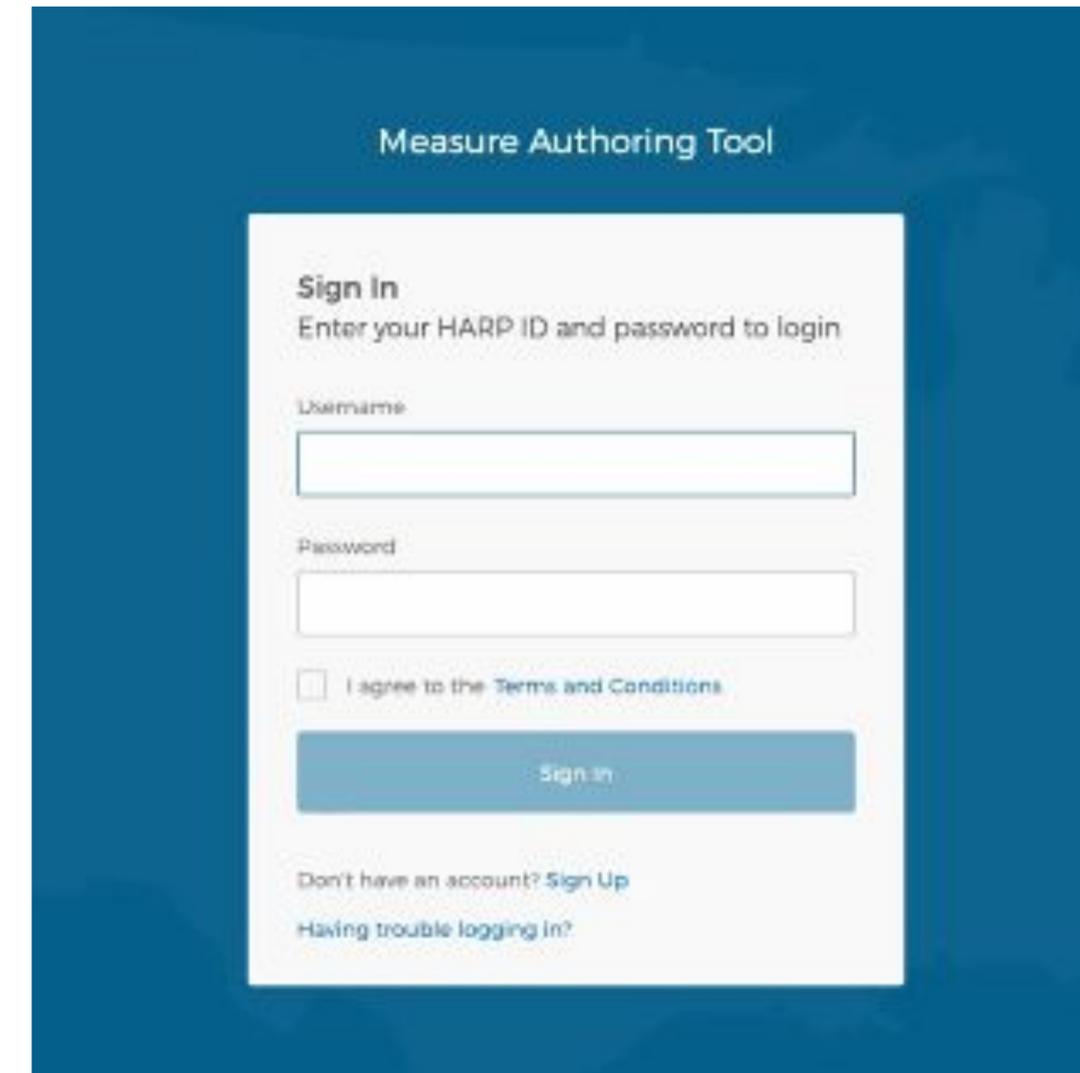

This is a one-time process.

The following items are needed to log in to the MAT for the first time.

1. HARP ID and password
2. MAT User ID and MAT password
3. Security question answers from your MAT Account

## Note:

**Please do not log in to the MAT until you have received these items.**

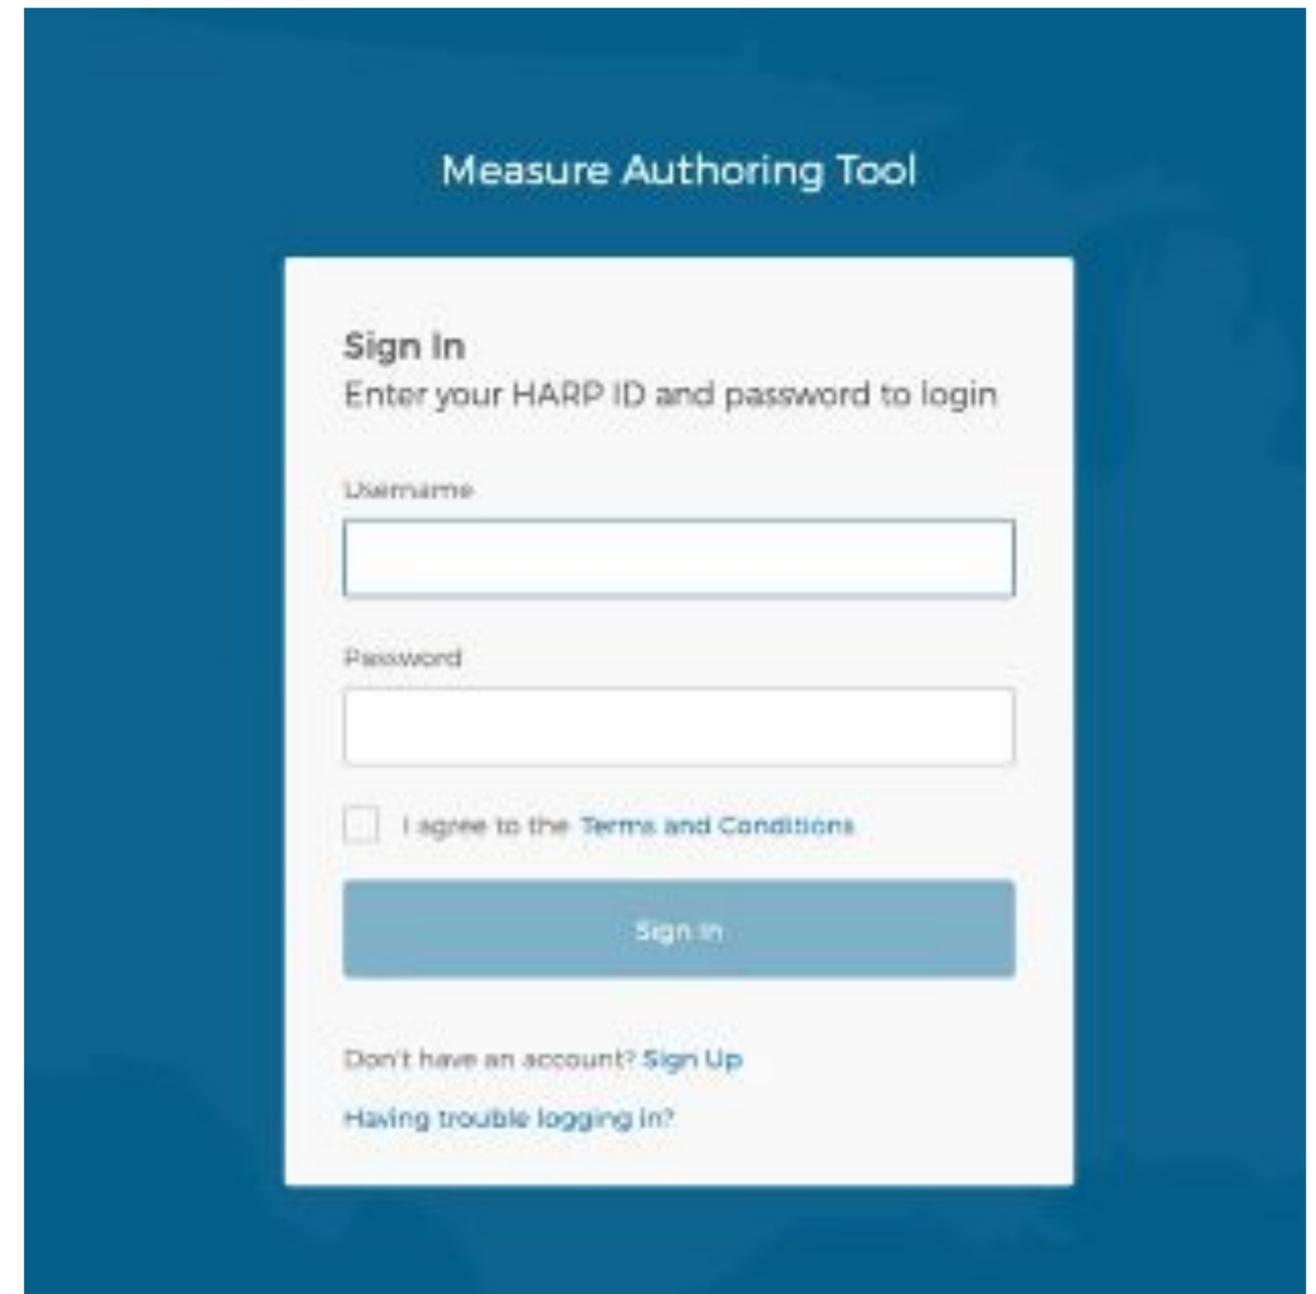

The screenshot shows the 'Measure Authoring Tool' login interface. It features a white sign-in box on a dark blue background. The box contains the following elements: a 'Sign In' heading, a sub-heading 'Enter your HARP ID and password to login', a 'Username' label above a text input field, a 'Password' label above a text input field, a checkbox labeled 'I agree to the Terms and Conditions', a blue 'Sign In' button, and two links at the bottom: 'Don't have an account? Sign Up' and 'Having trouble logging in?'.

# Logging into MAT the First Time - Existing MAT Users

The FIRST time you log into MAT you must link your HARP User ID to your MAT User ID

1. Log into the MAT with your HARP ID and password.
2. Agree to the terms and conditions by checking the checkbox.
3. Click the Sign In button.
4. Provide the two-factor authentication required and click Verify

The screenshot shows the 'Measure Authoring Tool' login interface. It features a white sign-in form centered on a dark blue background. The form includes a 'Sign In' heading, a prompt to enter HARP ID and password, input fields for 'Username' and 'Password', an unchecked checkbox for 'I agree to the Terms and Conditions', a blue 'Sign In' button, and links for 'Don't have an account? Sign Up' and 'Having trouble logging in?'.

Measure Authoring Tool

**Sign In**  
Enter your HARP ID and password to login

# Logging into MAT the First Time - Existing MAT Users

Example of Two Factor Authentication:

# Logging into MAT the First Time - Existing MAT Users

In the Link your HARP and MAT Accounts page:

1. Enter your MAT User ID and MAT password
2. Click the Link to MAT Account button

Link your HARP and Mat accounts

Please enter the following information and verify your existing MAT account

HARP ID:  
jkolanchik-sbx

Mat ID\*  
Enter Mat ID

Password\*  
Enter Password

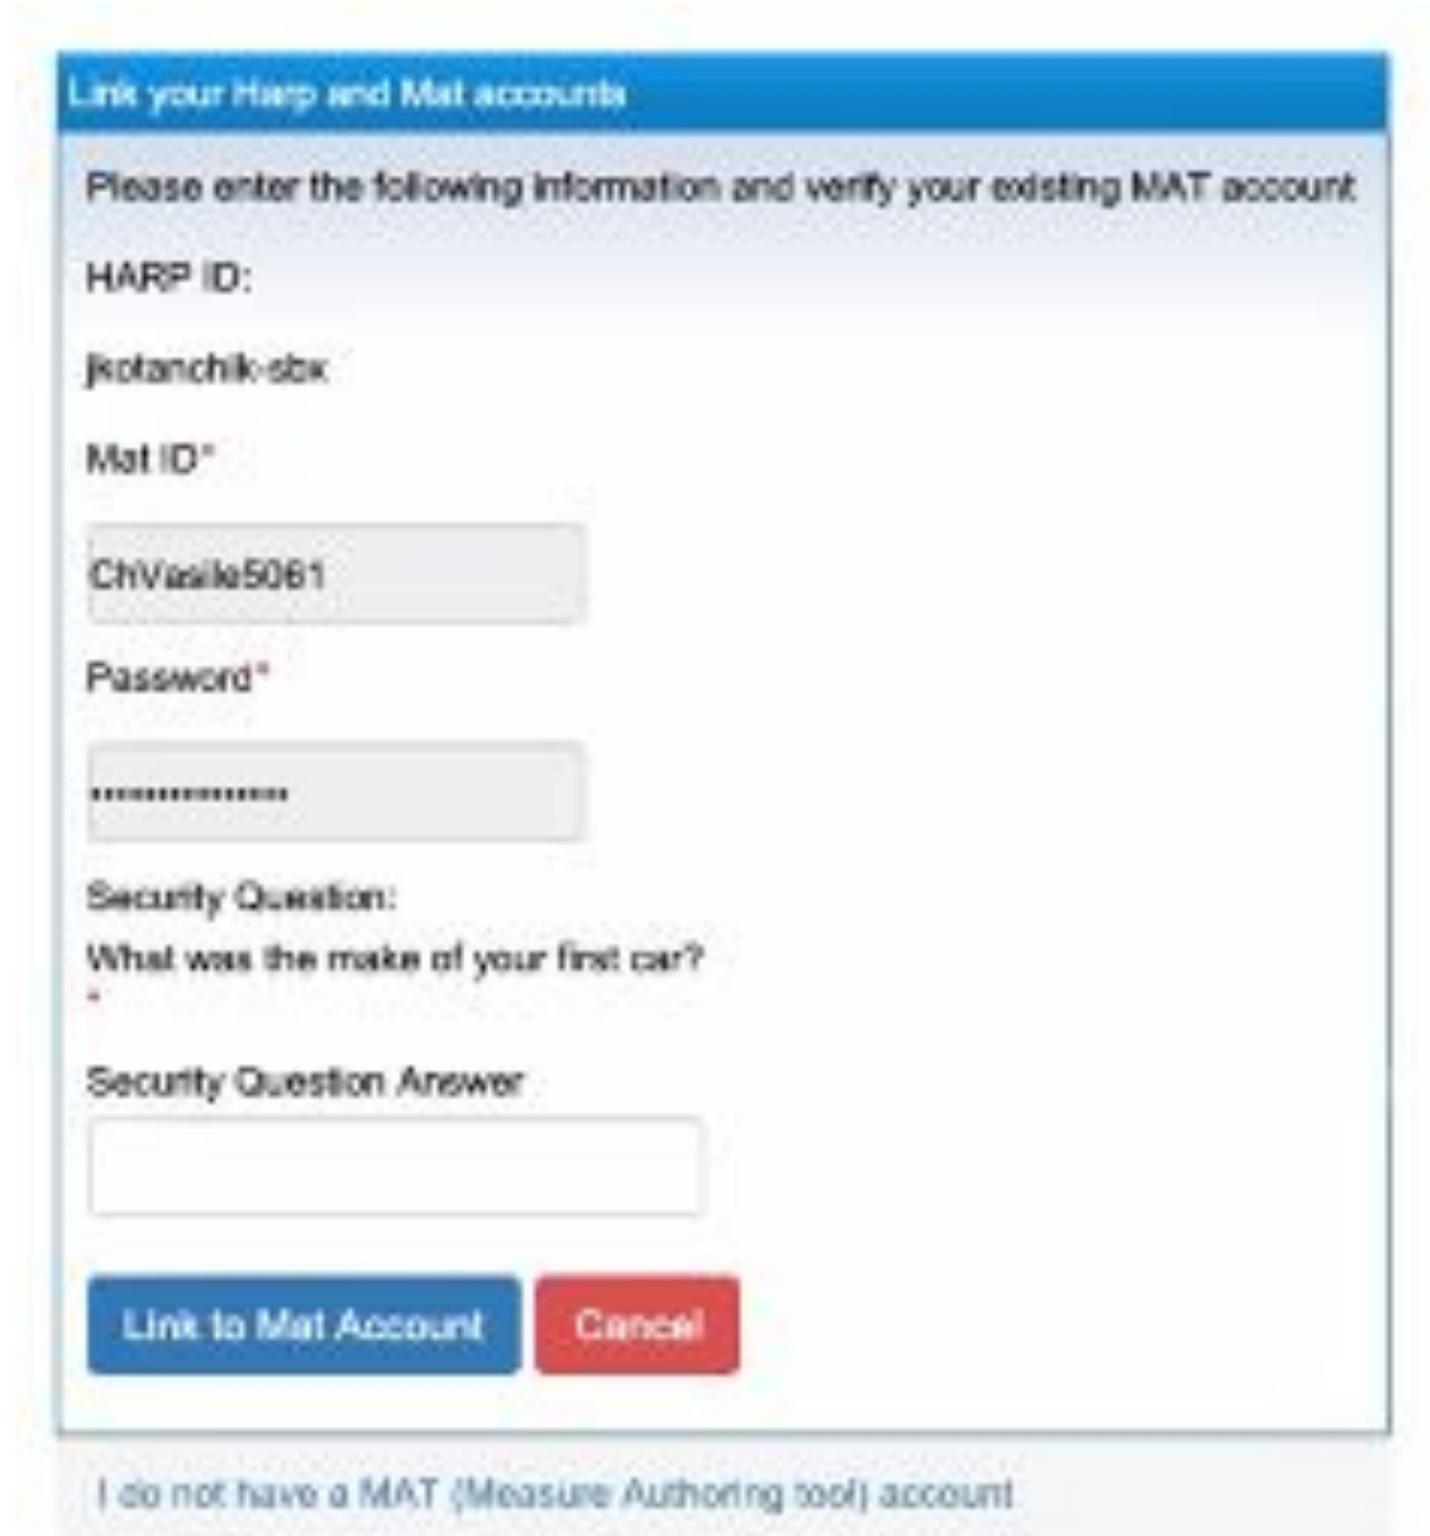

Link to Mat Account Cancel

[I do not have a MAT \(Measure Authoring Tool\) account](#)

# Logging into MAT the First Time - Existing MAT Users

In the Link your HARP and MAT Accounts page:

1. You will then be prompted with a security question from MAT
2. Provide the security question answer
3. Click the Link to MAT Account button again.
4. You should now see the Measure Authoring Tool.

The screenshot shows a web form titled "Link your HARP and Mat accounts". The form contains the following fields and elements:

- Title:** Link your HARP and Mat accounts
- Instruction:** Please enter the following information and verify your existing MAT account.
- HARP ID:** A text input field containing "jkotanchik-sbx".
- Mat ID:** A text input field containing "ChVasile5061".
- Password:** A password input field with masked characters.
- Security Question:** A dropdown menu with the selected option "What was the make of your first car?".
- Security Question Answer:** A text input field.
- Buttons:** A blue "Link to Mat Account" button and a red "Cancel" button.
- Footer:** A link that says "I do not have a MAT (Measure Authoring tool) account".

.03

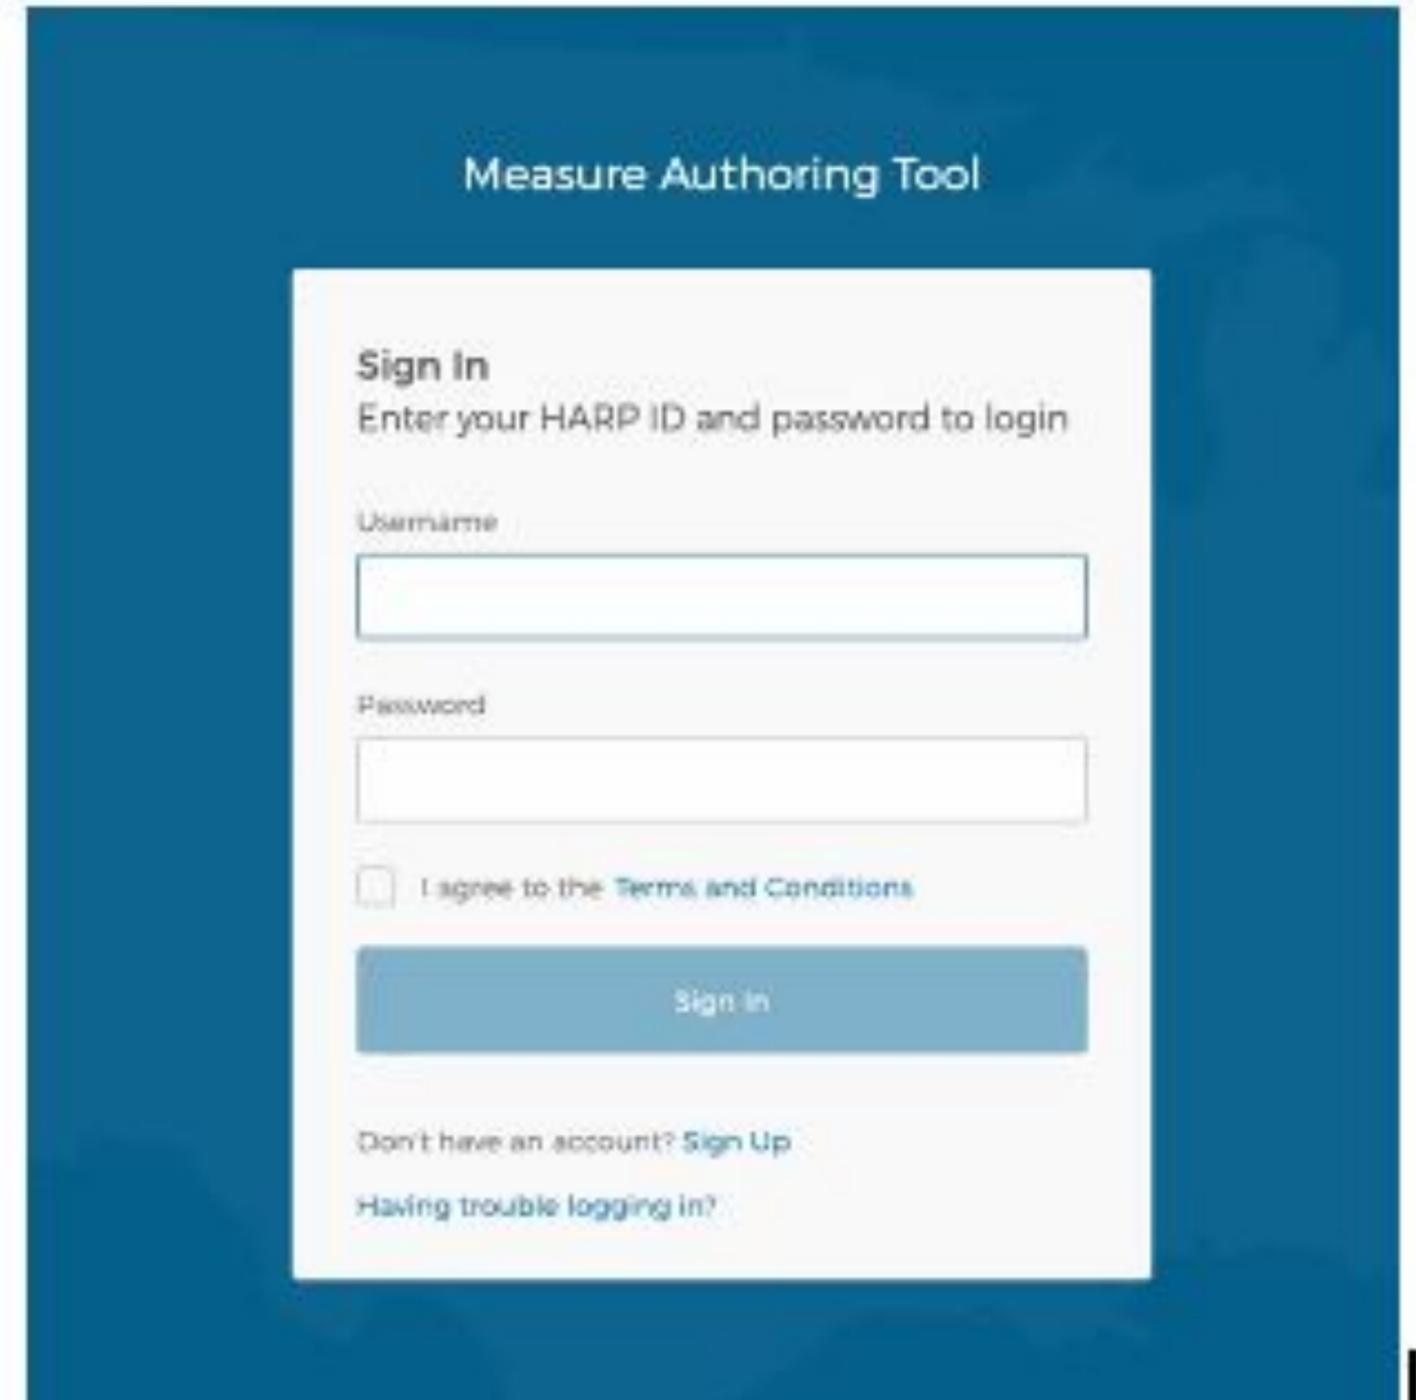

# Logging into the MAT

(after your account is linked)

# Subsequent Logins to the MAT

Follow these steps for subsequent logins to the MAT:

1. In the MAT login form, enter your HARP User ID
2. Enter your HARP password.
3. Click 'Sign In'.
4. You will be presented with a two factor authentication,
5. The type is a HARP profile setting.
6. Enter the authentication code.
7. You will be logged into the MAT.

The screenshot shows the login interface for the Measure Authoring Tool. The page has a dark blue background. At the top center, the text "Measure Authoring Tool" is displayed in white. Below this, a white rectangular box contains the login form. The form is titled "Sign In" and includes the instruction "Enter your HARP ID and password to login". There are two input fields: "Username" and "Password". Below the password field is a checkbox labeled "I agree to the Terms and Conditions". A blue "Sign In" button is positioned below the checkbox. At the bottom of the form, there are two links: "Don't have an account? Sign Up" and "Having trouble logging in?".

# Subsequent Logins to the MAT

## Example Two Factor Authentication

1. In this example the HARP profile setting is 'email'.
